2009 SUMMER REGISTRATION

IMPORTANT – PLEASE READ CAREFULLY

Summer registration is handled differently. You have the option to sign up for only those weeks you will be in town and if desired a different schedule for every week of the summer. We try to give currently enrolled preschoolers whatever summer schedule they request – this commitment is predicated on the forms being turned in during the registration period detailed above. Forms received after the registration period ends will be processed as soon as possible, but we cannot offer any promises.

Please keep in mind, however, if you choose not to sign up for specific days or weeks of the summer and your requirements change, we cannot guarantee we will be able to accommodate your child on the days (or weeks) relinquished. Any such schedule change requests will need to be put in writing and will be processed in order, by the date they are received at the school's front office.

We offer 3 options: "A" for All Day (6:30am to 6:30pm), "L" for Mornings with Lunch (8:30am to 1:00pm) and "P" for Afternoons or PM (1:00 to 5:30pm). The Summer Fee Schedule is attached.

If you have any flexibility in the days of the week your child will attend, please indicate that for every week that it applies, plus include a current email address (please write it in on the side of the page) as we will email you to approve any changes before completing the priority enrollment period and issuing confirmation letters.

I understand that this Summer Registration form constitutes a contract – I am committing to pay the appropriate tuition and fees for each week that I have enrolled my child, as indicated above. I further understand that the confirmation letter I will receive is not for the purpose of making changes but rather verifying my original request. I acknowledge that if my needs change after the end of the enrollment period, I will still be responsible for paying for the days I signed up for herein.
