**SUMMER REGISTRATION & ENROLLMENT PROCESS**

Summer registration and enrollment is handled independently from the school year registration. The registration is done in tiers, in order to offer different levels of priority processing to our currently enrolled students, siblings and alumni.

Tier 1: Currently enrolled preschoolers & kindergarteners

Tier 2: Currently enrolled after-school kids

Tier 3: Siblings of currently enrolled kids, alumni, and children with confirmed enrollment for the upcoming school year

Tier 4: All others

You do not need to follow the same schedule you had during the school year – you can register for only those days and weeks that you want. However please be aware that it may not be possible to add days later on. Also once booked you cannot receive a credit for unused days.
